

I Have Mastered Java Standard Edition – Can I Join Your Java Bootcamp?

Q – I Have Mastered Java Standard Edition – Can I Join Java Bootcamp? I would like to round it off with a few on the job courses, can I join [Java Bootcamp](#)?

A – Yes we would like to interview you personally to verify that you have mastered the equivalent of our first 3 modules on our [Java Bootcamp](#):

- 1) [Java SE 8 Fundamentals \(OCA\)](#)
- 2) [SQL](#)
- 3) [Java SE 8 Programming \(OCP\)](#)

Our second half of our Java Bootcamp completes the full-stack concept. Here we cover Enterprise Development with the top Java Spring Framework.

- 4) [Spring MVC and RESTfull Web Services](#)
- 5) [Angular JavaScript Framework](#)
- 6) JHipster Integration Framework
