

# Scratch 2

## Prerequisites

[Scratch 1](#)

## Intended Audience

Kids who have mastered the skill level given in [Scratch 1](#)

## After this course you should be able to:

Scratch is a fun, free, beginner-friendly programming environment where you connect blocks of code to build programs. While most famously used to introduce kids to programming, Scratch can make computer science approachable for people of any age. Rather than type countless lines of code in a cryptic programming language, why not use colorful command blocks and cartoon sprites to create powerful scripts? After this course you should be ready to move into more mainstream programming like Python.

## Course Material

Provided.

Please bring your own laptop.

## Further Training

[Kids3 : Python for Kids](#)

## Course Contents

### Day 1

- Getting started with an Overview
  - Scratch Remember
  - Programming Environment

### Day 2

- Motion and drawing
  - Using Motion Commands
  - Pen commands and Easy Draw

- The power of repeat
- Looks and sound
  - The Looks Palette
  - The Sound Palette

### **Day 3**

- Procedures
  - Message Broadcasting and receiving
  - Creating Large programm in small steps
- Variables
  - Data types in Scratch
  - Introduction to Variables
  - Displaying variables monitors

### **Day 4**

- Making decisions
  - Comparison operators
  - Decision structures
  - Logical Operators
- Repetition: a deeper exploration of loops
  - More Loop Blocks in Scratch
  - Stop commands
  - Counters

### **Day 5**

- String processing
  - Revisiting the String Data Type
  - String Manipulation examples
- Lists
  - Lists in Scratch
  - Dynamic Lists
  - Numerical lists

**Duration and pricing**

**Duration and pricing**

R10995

- Full-time over 5 days
- Part-time over 10 weeks (2 afternoons per week, 2 hour sessions, one for lesson and one for practical)
- Part-time over 10 Saturdays, 2.5 hour sessions
- Prices exclude Vat for Vat-registered companies

## **Bookings**

### **Full-time:**

We are normally scheduling the full-time kids courses during school holidays. If you are interested, please send us an email with your school holiday dates, so that we can try and get a group together as there are different holiday dates for private and public schools. Click [here](#) to send the email.

### **Part-Time:**

We are trying to get groups together for the part-time kids courses between 4 and 6 in the evenings or Saturdays. If you are interested, please send us an email with your possible times, so that we can try and get a group together as we need to have a minimum number to be able to start a course. Click [here](#) to send the email.
