

# Lecturers

**A good coding trainer should be:**

- qualified
- knowledgeable
- approachable
- patient
- thorough
- fond of people
- passionate about his subject

**We are always looking for good trainers,**

- on a part-time or full-time basis
- located anywhere with a good internet connection (as we have part-time students that are located anywhere)

**If you would like to apply for a training position, please [contact us](#) .**
